

## **Concentrated Multi-Purpose Cleaner Degreaser**

This rapid acting, unperfumed product is suitable for:

- Cleaning heavily soiled concrete floors.
- Floor wax removal.
- Use in buckets, sprays, sponges and automatic cleaning equipment.
- Cleaning kitchen surfaces and equipment.
- Cleaning aluminium, general surfaces, walls and paintwork.
- Marble, porcelain and terazzo tiles.

### **HOW TO USE:**

For heavily soiled concrete floors, and floor wax removal, dilute 330ml per litre of warm water.

For kitchen surfaces and equipment, dilute 200ml per litre of warm water.

For aluminium, general surfaces, walls and paintwork, dilute 100ml per litre of warm water.

For marble, porcelain, terazzo and tiles, dilute 50ml per litre of warm water.
