

General Purpose

Thin Bleach

This fast acting product is suitable for:

- Cleaning and disinfection of toilets and urinals, sinks and basins.
- Removing stains and watermarks.
- Killing germs, e.g. e-coli, salmonella and listeria.
- Bleaching white clothing.

HOW TO USE:

To remove cap place bottle on a firm, flat surface and press down cap and hold whilst screwing anti-clockwise.

For sinks and drains pour down waste pipe and rinse thoroughly after 2-3 minutes.

To bleach Whites, dilute 50ml of bleach in one bucket (10 litres) of cold water before adding clothes. Soak for a short time, then rinse thoroughly. Use half strength if soaking overnight.

To replace cap place bottle on a firm, flat surface and turn clockwise until a click is heard.

Wipe up any spillage immediately and rinse thoroughly with clean water.
