

Concentrated General Purpose pH Neutral Liquid Detergent

This product is suitable for:

- Damp mopping, spot mopping and flat mopping of floors including pharmacy and other clean rooms, ambulance interiors and dental surgeries.
- General cleaning and damp dusting of surfaces and hospital furniture, e.g. bedside cabinets and the like.
- Cleaning with microfibre cloths.
- Cleaning of ward pantry equipment.
- Cleaning of dental instrument boxes and equipment.
- Manual cleaning of reusable dental instruments.
- Hand dishwashing.

HOW TO USE:

For hand dishwashing, dilute 5ml per 10 litres of warm water.

For all other cleaning requirements, e.g. instrument cleaning, mopping, damp dusting, etc. dilute 10ml per 10 litres of warm water.

NOT suitable for use on clothing or fabrics. Protective gloves should be worn.
